

Dear Aberdeen Community Resident / Business Owner:

We are pleased to inform you that the Maryland State Highway Administration will be performing roadway widening and interchange reconfiguration operations on MD 715 (Short Lane) from US 40 to the gate at APG beginning on or about Wednesday, February 9. We anticipate the project should be completed in the summer of 2013, weather permitting.

All road work will be performed Monday through Friday, 7:00 am – 3:00 pm and Sunday through Thursday, 7:00 pm – 5:00am. There also exists a possibility of weekend work.

The \$17.7 million contract has been awarded to American Infrastructure of Fallston, Maryland.

We appreciate your patience during the construction period. For your safety and the safety of the traveling public, please be aware that this work may utilize flagging operations for lane closures. Please be careful when exiting and entering businesses/driveways within the work area.

Thank you for your patience as we make these improvements. If you have any questions, please feel free to contact Ms. Amy Andrews at 410-306-6295 or Mr. Rick Cochran at 410-229-2423.
